Dear Mr. Rochette:

The Hidalgo Coin Club, C 42086 has sent their National Coin Week Scrap Book by Continental Trailways Bus to day Prepaid and the Bus Station said it would arrive in Colorado Springs at the Continental Trailways Station. We addressed the Box to you and put your telephone number on it for the Bus Lines to call you on arrival. We are sending this letter so that you will know it is there in case the Bus Lines doesn't reach you.

We appreciate the help from your committee as published in The Numismatist and thank you. Especially do we thank you for picking up the Scrap Book for us.

Very truly,

Hidalgo Coin Club
